

# DISCUSSION QUESTIONS FOR *THE DIGITAL MINDSET*

BY PAUL LEONARDI AND TSEDAL NEELEY

---

## ***Questions for a first discussion:***

1. What did you learn about your digital journey from this book?

---

---

2. Which of the three Cs—Collaboration, Computation, Change—of the digital mindset are most important in your work?

---

---

3. What do you think is the greatest barrier for you to achieve the 30% knowledge you need?

---

---

## ***Additional questions for a deep dive:***

4. How can you create opportunities for continuous learning for yourself, your team, or others across the organization?

---

---

5. What kind of data would help you do your job better or expand your job in new and meaningful directions?

---

---
